Hartsville BGC Torch Club Project

The Hartsville Torch Club members stuffed bags to be distributed to a homeless ministry in Florence over the weekend. Members filled the bags with socks, toothbrushes, toothpaste, lotion, soap, and snack items for those in need. The Homeless Project is a new initiative taken on by the Hartsville Torch Club as part of their commitment to giving back to the community.

Martin Luther King, Jr. Day

Florence BGC members participated in a unity activity in honor of Martin Luther King, Jr. Day. Members were given both brown and white eggs and asked to identify their observations on each one. Then, they cracked the eggs and observed the inside of each. Members learned that even though we may look different, inside we are all the same!!
